

Achieve Optimum Health

Shaklee Is Different!!

THREE TYPES OF VITAMINS

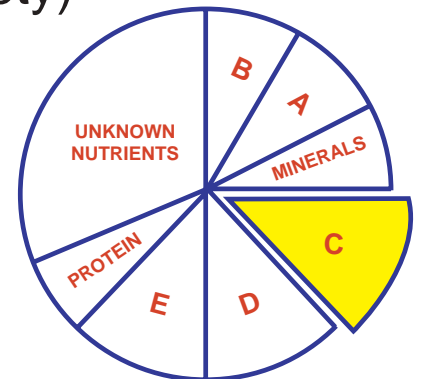

Test Tube Or Synthetic (Usual Drug Store Variety)

- No Enzymes (necessary for life)
- Man made from petroleum products and coal tar derivatives
- Inorganic substances, artificial colors, flavors, sweeteners
- Acts as a stimulant in the body
- Harsh binders and filters-often coated with shellac

Natural Isolate/Organic Extract (Usual Health Food Store Variety)

- Isolates only some known nutrients
- “Natural”-may only mean 15% natural
- Chemical and/or heat extraction (destroys enzymes)
- Acts as a stimulant in the body
- Imbalanced
- Harsh fillers and binders-often coated with shellac

Natural/Unaltered (Shaklee Food Supplements)

- Raw materials grown on certified organic farms
- No artificial colors, flavors or preservatives
- Balanced-contains whole food source
- No chemical or heat processing
- Proven bioavailability
- Cold processed to preserve enzymes
- Feeds and improves cell health
- Nature's formula

SHAKLEE FOOD SUPPLEMENTS
ARE AS CLOSE TO NATURE AS POSSIBLE

Achieve Optimum Health

YOUR LIFELINE

FAILURE TO SUPPLY TOTAL NUTRIENTS CAUSES PROGRESSIVE BREAKDOWN IN THE BODY
